## WHY?

1. Why is it considered necessary to nail down the lid of a coffin?
2. Why is it that doctors call what they do "practice"?
3. Why is it that to stop Windows 95 you have to click on "Start"?
4. Why is the man who invests all your money called a broker?
5. Why is the third hand on the watch called a second hand?
6. Why is the word dictionary in the dictionary?
7. Why does a slight tax increase cost you two hundred dollars and a substantial tax cut save you thirty cents?
